1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am current customer of Dominion Energy.

2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

There are many Dominion customers who are on fixed income and simply cannot afford a rate increase at this time. Frankly, it is time Dominion and the others like them should have to participate in the misery of the current inflation instead of making those of us who can least afford it pay their increased rates.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \*

No, I much too elderly to be making appearances at hearings.
